

HSB is going online!

Quebec high school students will be online on from **January 7th to 14th** inclusively.

Term 1 is Ending!

It is important to note that these will be the final days of Term 1 and work and assignments completed until the end of the term can impact whether a student can pass the course. A reminder that this year, **Term 1 is worth 40% of the final mark.**

Online Schedule

Online classes for all will begin on Friday, **January 7th** which is a Day 3, via Teams. These will be 60-minute classes following this schedule:

How will students be supported?

Teachers will continue uploading student work to class Teams and can be reached by email.

Special Education Technicians and attendants will be present in online classes, as they would be in physical classes to support students with their learning.

Attendance Emails

Yes, they will keep coming!

Teachers will take **attendance** in their classes and we will be emailing parents every day to report absences.

Students should be checking their **NFSB email accounts** regularly. They will be receiving email invitations and notifications to their Teams classes from their teachers during this time. A reminder that teachers are also posting work and assignments on the class Teams.
